## 240 - HELP! The Rhythm Isn't Right! Arrhythmias in the Acute Setting

[C Schedule](#) [E Notes](#) [E Credits](#)

Sat, Mar 29

S404C

3:30pm - 4:30pm (Central)

Sess#: 240

[See in my timezone](#)

[Log in for status info](#)

Location: S404C

Session Type: Scientific

Credit Type - CME: 1; CNE: 1; CNErx: 0; CPE: 1; Dual CME/ABIM MOC: 1; Dual CME/ABP MOC: 1; PA: 1; IPCE: 1; ASRT: 1

Children and young adults who are clinically ill with arrhythmias frequently necessitate swift and decisive care. This session will present challenging clinical scenarios involving arrhythmias that occur in the ED, acute care ward, or ICU and get expert perspective from both electrophysiologists and inpatient cardiologists regarding the best current approach. This session will help acute care providers learn current best approach to management while also allowing healthy debate among clinicians on unique treatment strategies for acute arrhythmia.
